Brand Narrative and Strategy

VERTICALS

- Innovation and Scaling Teams
- Culture change & Operations
- Hardware and tech startups
- Clean tech and Smart Cities
- Thrivable & Healthy Planet initiatives
- Culture Design & Futurism

New times call for new sets of skills.

In the past years, Maya has developed herself as a diverse and tech-savvy leader. Creating a unique set of skills that help her lead companies and teams. As Chief Operations Officer and VP of Operations of three startups and advisor to other emerging tech groups. She built enterprise platforms and mobile apps that connect people and solves social issues that face our species. She brings her experience and technological understanding of digital technology, narrative, system's thinking, and collaborating with multiple diverse teams and stakeholders to all projects.
